Hi Gloria, the number works—I just received the voicemail that you (or your office) left for me at around 11am. But if 1pm pacific still works for our meeting, I'll just call you then at your office number. Thanks.

Good Morning Kahn,
The number we have for you below does not seem to work.
1 213.229.7656
Is there a better contact phone we can call in for today's meeting?
Thank you

Thanks, and likewise! Should I call the generic number on your website? Or is there a better number to try? Either way I'll try for 1pm tomorrow.

Hi Gloria. You've no doubt seen that the Court set a scheduling conference for June 13. Defendants intend to file a motion to stay discovery until the Court rules on the pending motion to dismiss (and any subsequent motions to dismiss, should the Court grant our motion with leave to amend). Can you please let us know whether you're available to meet and confer on Monday or Tuesday? As a reminder, the court expects us to meet via Zoom or at least a phone call, not to do it over email.

Thanks.
